FREE Summer Reading Program
Paid by Your School

What is Kids Read Now?

It is important for your child to read over the summer. Your school is working with Kids Read Now. We will mail your child a free book with messages and fun activities each week.
Happy Reading!

Reading is Super Important!

Reading is one of the most important things your child will learn. Their school and Kids Read Now are here to help. And you can help, too!

- Read with your child for 15 minutes each day
- Talk about a question from the Discovery Sheet
- Report the Book Code to get the next FREE book
- Visit KidsReadNow.org/Parents for more tips

Thank you for helping your child become a reading star!

How the Program Works:

1. Get A Book

Your child gets the first book in the mail. (A bonus book comes later too!)

2. Read It

Read your new book this week, then report it.

3. Talk About It

Pick a question from the Discovery Sheet inside the book and do it together.

4. Report It

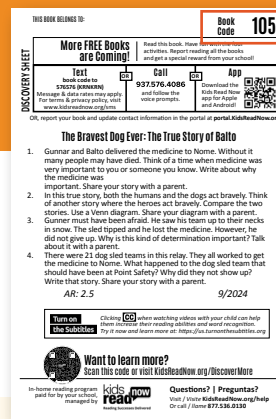

Report the Book Code inside the book—it's quick and easy!

5. Get the Next Book

A new book comes every 8–10 days.

6. Finish & Celebrate!

After reading and reporting your 8 books, your child gets a certificate when school starts in the fall!

Find your book code here!

Discovery Sheets

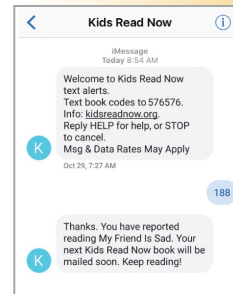

Every book has a sticker inside with:

- 4 fun questions or activities
- A Book Code to report the book

Pick one question to do together—no right or wrong answers! Just enjoy reading and talking about it.
